garagezones

LAWN AND GARDEN

Keep things organized and off the floor by using vertical storage for gardening/lawn equipment.

BULK STORAGE

Store bulk items like extra canned goods on shelving at eye level.

HOME IMPROVEMENT

For the avid DIYer, set up a work station with tool organizers and work baskets.

RARELY USED STORAGE

Store seasonal items like holiday decorations up high and out of the way.

SPORTS AND RECREATION

Cubbies and lockers are great for any active family to organize sports equipment.
